Welcome to
Deloitte AI Academy™

Deloitte AI Academy will serve as Deloitte's engine to bridge the AI talent gap in the market today by educating our way to AI talent growth through a focus on supplemental education.

The Deloitte AI Academy Learner Portal will be your comprehensive resource for valuable information as you complete the 8-week bootcamp, building technical credibility, understanding the ethical risks with AI implementation, and interacting with coaches and mentors to learn about The Deloitte Way.

Jigsaw Portal

Access assignments, practice exercises and assessments.
Link to be available by 5th October

This is your one-stop shop to access information and links related to the Academy. Click on any box to continue.

Academy Agenda

View the week-wise agenda for the next couple of months.

Collaboration Center (Posts on Teams)

Collaborate with other AI Academy

Your Coaches and Mentors

Know the coaches and mentors who will

Well-being Center

Tips and exercises to maintain your mental and physical well-being during your journey

PTO Updates:

1. Please update all your PTOs here. Only PTOs updated in this tracker will be considered.
2. Do **not** share any email with PTO updates as they might not be updated here.

Query Tracker:

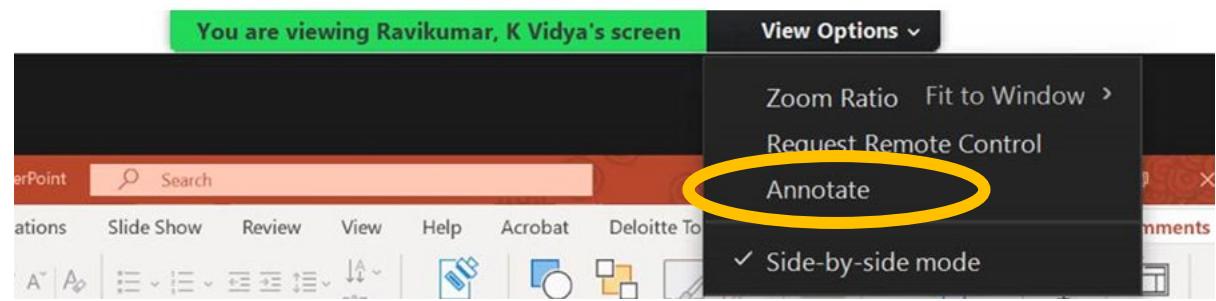

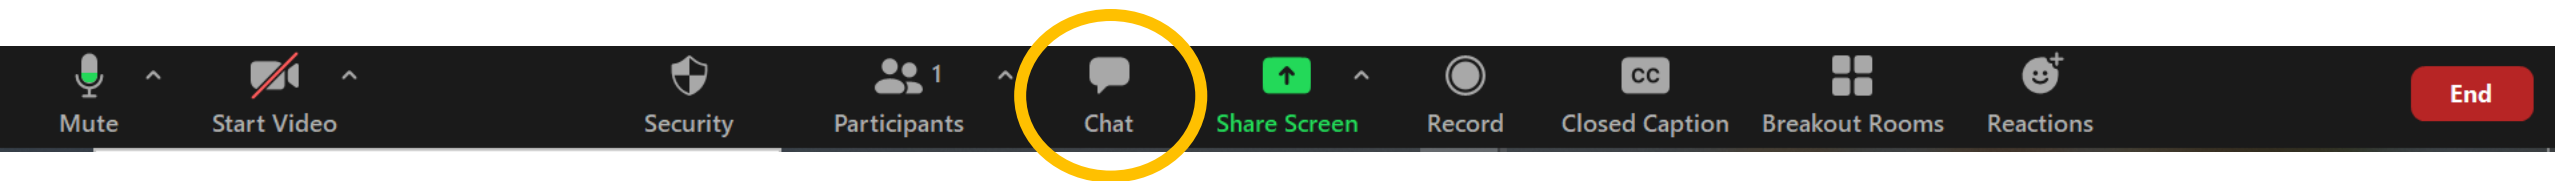

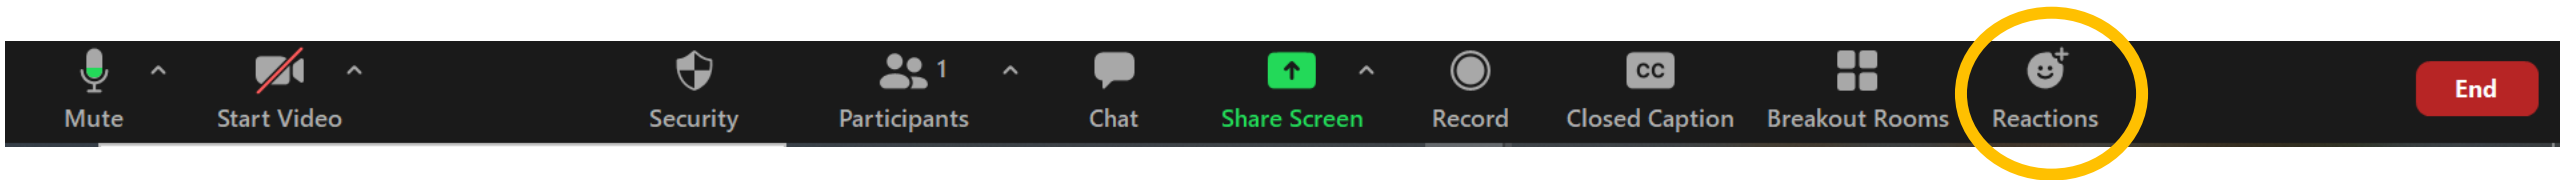

1. In case you have any queries or want assistance from the AI Academy Program Team, please add your queries in this tracker.
2. In case of any confidential/ sensitive matters, please feel free to drop an email to USI Academy mailbox.

The screenshot shows a Microsoft Teams interface. On the left is the Teams sidebar with various icons. The main area displays a chat window for the 'General' channel of the 'AI Academy' team. A SharePoint list titled 'Query Tracker' is embedded in the chat. The list has four columns: Name, Email ID, Query, and Response. The first row contains the following data:

Name	Email ID	Query	Response
Vidya	kvravikumar@deloitte.com	How do I inform the team about my upcoming PTOs?	Please update the "PTO Updates" tab with your PTO Details.

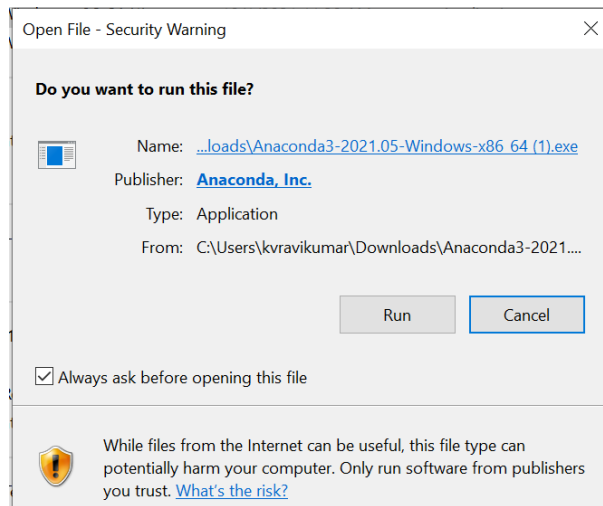

The interface also shows the 'Query Tracker' tab selected in the top navigation bar, and the 'Table Design' view is active. The bottom status bar indicates 'Calculation Mode: Automatic' and 'Workbook Statistics'.
